

STUDENT EVALUATIONS

**11. What did you appreciate most about this class?**

- The basic knowledge of economics
- Every week, having good material and problem set
- Very thorough overview of micro-theory
- It was challenging me
- TA helps a lot
- The knowledge is very professional and useful.
- The concept is interesting
- Very helpful. Presented difficult material clearly and thoughtfully
- Have review sections
- Handouts are very helpful
- Ta held a lot of review sessions out of class, help us understand the material clearly
- Hard but good
- Joakim and Pierre are both very knowledgeable and invested in student outcomes
- The class is very well organized and presents material in an interesting way that makes difficult concepts easier to understand
- The content was thorough, class was well organized
- That the lowest exam was dropped, the review sessions helped narrow scope of material
- Very thoughtful and deep delve into the micro-econ. The TA is helping me out of getting used to answering questions informally and well written form
- Learning the mathematical approach to the problems and understanding how they work both algebraically and manually

**12. Is there anything you would like to see the TA do to improve his/her teaching?**

- Very Good TA, Thank you!
- He grades very critical/strictly
- I'm really satisfied
- He was great!
- It's good enough
- Can improve his explanation
- Grading is so harsh
- No, very good
- Overall very satisfied w/TA, all grading was done promptly
- Joakim held several review sessions in the ARE library. While these were executed well, it is very hard to see the white board beyond the 2<sup>nd</sup> row.
- No, Joakim was an excellent TA

- We didn't have regular discussion sessions
- Pronunciation? LOL. Just kidding, Joakim did a great job in co-instructing the class.
- No, it was great!

Please make any additional comments regarding the TA and/or discussions sections.

- Very nice
- Thank you so much!
- Harsh grader but very smart and friendly
- Jo you are amazing! Thank you for your
- Joakim was an excellent TA and went above and beyond what was expected, which really helped me to learn the material. I appreciated that he was available for reviews and he explained concepts in a way that was understandable.
- I thought his grading was a bit strict, especially in the beginning since the TA & Prof indicated correct approach would give partial credit
- It's good
- Excellent work!
- Grading is too harsh, left me so frustrated
- Well done Joakim!
- Joakim was the best TA I have ever had. He goes above and beyond to provide thoughtful feedback. He explains concepts very clearly and is always willing to help students better understand the material.
- Very good and efficient. Best TA ever had at UC Davis.
